Poodle Rescue of Houston

Poodle Rescue of Houston, incorporated as a 501(c)(3) in 2006, has grown into one of the largest Poodle rescue organizations in the U.S. PRH rescues distressed dogs, mostly poodles, from a variety of sources. These include public animal shelters and humane organizations across a six or seven state region. We get stray surrenders as well as dogs from individuals or breeders who for various reasons surrender their dogs to our care. Also, PRH has on occasion rescued large numbers of dogs from court-ordered "puppy mill" seizures. In every case, Poodle Rescue of Houston is asked to accept dogs into our care and we usually do accept them. It is our outstanding reputation that makes other organizations, courts and private individuals turn to us for our assistance.

PRH provides a safe, clean and attractive facility for dogs, with high quality food, spaying / neutering, dental service, other needed medical care such as x-rays and surgery for injuries, heartworm or parasite treatments and preventative medicines, socialization and affection, and grooming. Once the dogs are rehabilitated, we offer them for adoption to carefully screened families and individuals. Over the last several years, we have placed about 600 dogs per year. We typically have about 45 dogs in our rescue program on any given day, and sometimes many more, so there is sure to be one that is right for you. Come for a visit - we are open from 7 AM to 5 PM, seven days a week.

Mission Statement

Our mission is to rescue and rehabilitate distressed and homeless poodles. Our goal is to place every dog in the right loving home. Our facility offers expert veterinary care, safe shelter, clean food and water, plus human affection.

Since adoption revenues do not cover our expenses, we appreciate donations which can be made through the Poodle Rescue of Houston on our website.
